Any score cards not signed or the score total is missing will result in disqualification ref 14.4.1.

- Elimination Round – scoring will be completed by athletes. One athlete/team records the arrow values of both athletes/teams on the paper score sheet. While at the same time, the other athlete/team inputs the arrow values into the scoring tablet. Both athletes/teams should verify that all scores are written and entered correctly before returning back to the shooting line.
- At the end of the match, the scorecard must be fully completed and signed by the athletes (or agent/judge in the case of finals) involved in the match.
